IMPORTANT INFORMATION THAT MUST BE READ BEFORE USE

The Zone-Trac® is a prescription, battery powered, mobile biofeedback device using auditory feedback, to train reeducation of the ciliary muscle, and relaxation of the ciliary muscle. As a biofeedback device, the Zone-Trac® is registered with the FDA as a Class II exempt device.

PRECAUTION:

Federal law restricts this device to sale by or on the order of a practitioner licensed by the law of the State in which the practitioner practices to use or order the use of the device.

The Zone-Trac® is not designed to diagnose or treat any disease or illness. If the user has any active pathology, an authorization is required from a licensed health care practitioner attesting that the training will not be harmful to pathological condition.

THE TRAINING SHOULD NOT BE DONE MORE FREQUENTLY THAN 20 MINUTES EVERY OTHER DAY, AND BY FOLLOWING THE PRESCRIBED PROTOCOL.

The Zone-Trac® is based on U.S. Patent 8, 511, 820, and the name Zone-Trac® is a registered trademark.

One Year Warranty on Parts and Labor.
